

For a Safe Place to Save Your Money

Bring it to Members Credit Union

Piggy banks are good for small amounts but the safest place to save is in an insured financial institution like Members Credit Union. Plus, you'll earn interest! We are one of the strongest in the area and deposits are insured up to \$250,000 by the National Credit Union Administration, an agency of the federal government.

*Serving everyone who lives, works,
worships or attends school in
Fairfield County.*
