Introducing Everything Automotive

Do you know it takes the average buyer 2-3 months to choose their new or used vehicle? Now you can shop from the comfort of your own home on Everything Automotive.

Compare makes and models, available vehicles and dealers. Even take a virtual test drive. Apply for your auto loan before you go to the dealer and receive .25% off of your already low MCU rate. We are even offering a \$100 cash back at loan closing certificate, available on Everything Automotive, which applies to both new auto loans and refinances with MCU.

Restrictions apply. We also offer credit life and disability, GAP Insurance and Extended Warranty; all less expensive and of equal or better quality than you can receive from the dealer. Visit [Everything Automotive](#) and start researching your next vehicle today!

Enterprise Car Sales Offers MCU Members Huge Savings

A Pre-owned vehicle from Enterprise Car Sales offers the best of their fleet for less than what you would find at a dealer. Plus, get an even lower interest rate on your loan. Enterprise vehicles come with:

- 130 point certification
- 14-day return policy
- One year warranty

"We chose an Enterprise car because we didn't have to worry about hidden mechanical problems or if the car was maintained properly," said a MCU member. Find out more, call a loan

officer today!
